Celebrating a Bar or Bat Mitzvah- It's Never Too late!

There is a story told in the Talmud of the great Rabbi Akiva, who did not begin his learning until he was 40 years old—a ripe old age in the rabbinic period. It is said that:

Rabbi Akiva was a shepherd of Ben Kalba Sabua. The latter's daughter seeing how modest and noble [the shepherd] was, said to him, 'Were I to be betrothed to you. would you go away to [study at] an academy?' 'Yes', he replied. She was then secretly betrothed to him and sent him away. When her father heard [what she had done] he drove her from his house and forbade her by a vow to have any benefit from his estate. [R. Akiva] departed. and spent twelve years at the academy. When he returned home he brought with him twelve thousand disciples. [While in his hometown] he heard an old man saying to her, 'How long will you lead the life of a living widowhood?' 'If he would listen to me,' she replied, 'he would spend [in study] another twelve years'. Said [Rabbi Akiva]: 'It is then with her consent that I am acting' and he departed again and spent another twelve years at the academy. When he finally returned he brought with him twenty-four thousand disciples. His wife heard [of his arrival] and went out to meet him, when her neighbors said to her, 'Borrow some respectable clothes and put them on', but she replied: A righteous man regards the life of his beast. On approaching him she fell upon her face and kissed his feet. His attendants were about to thrust her aside, when [Rabbi Akiva] cried to them, 'Leave her alone, mine and yours are hers'. Her father, on hearing that a great man had come to the town, said, 'I shall go to him; perchance he will invalidate my vow', When he came to him [Rabbi Akiva] asked, 'Would you have made your vow if you had known that he was a great man?' '[Had he known]' the other replied, 'even one chapter or even one single halachah (matter of law) I would not have made the vow'. He then said to him, 'I am the man'. The other fell upon his face and kissed his feet and also gave him half of his wealth. **Babylonian Talmud Ketubot 62b-63a**

The lesson is simple. It is never too late to learn. This is a central principle in what it means to be a student of Torah. Even one of our greatest scholars and teachers was a second-career student! If you were not blessed to have rigorous, thoughtful, and serious Jewish education early on in life, there is always time to try again and to bring the wisdom and depth of Judaism into your life today.

This brings me to the topic of those who never had a chance to celebrate a bar or bat mitzvah, or paid little attention during the process. This year, I will be teaching an adult bnei mitzvah class to all who wish to spend some serious time engaged in study—culminating in the celebration of this study with an adult bnei mitzvah around the Festival of Shavuot. The curriculum will consist of topics including, but not limited to, God, Jewish prayer, ritual, lifecycle, holidays, Jewish values and Jewish history, Hebrew reading, as well as learning to chant Torah and Haftorah. Details and a schedule of dates will be forthcoming in the coming months, but I encourage you to consider this unique opportunity. While you may not end up as scholarly as Rabbi Akiva, the wisdom, depth, beauty, and relevance that you will uncover or re-discover about your heritage will be well worth the effort!

For more information, or to sign up, please call the office at 732-531-4410 or e-mail Lisa Arnold at lisaa@torat-el.org. We will need a minimum of a minyan, ten participants, to move forward in the fall. Have a wonderful summer!

GET TO KNOW OUR NEW PRESIDENT

Hello. For those of you who don't know me, I am Larry Shapiro, the new President of our temple, Congregation Torat El. I am 46 years old, a partner in the law firm of Ansell Grimm & Aaron, PC here in Ocean Township, and I grew up in West Long Branch where I live today with my wife Laura and two daughters, Jaclyn and Sydney. If you come to Saturday services you may have heard Jackie chant Torah (please forgive my Father bragging here), she is a much better reader than I ever was.

As I begin my term as President I am acutely aware of the need to balance my time between the needs of my wife and children, the demands of a busy law practice (fortunately), some personal time for me, and the needs of the Temple. While being President is a volunteer position, I am cognizant that it is nonetheless a position of leadership and responsibility. I am responsible to all of you. So, in order to serve you and the needs of the Temple during my two-year term, I plan on making myself as available as possible to the Temple and you all. I plan on attending as many Temple events, meetings, functions, and yes – services, as I can.

So, if you see me, please come up and introduce yourself (I am bad with names) and feel free to ask me any question or raise any concern you have about the Temple. Compliments and positive feedback will also be welcomed. You should also feel free to point out any solutions to a problem you may bring to my attention, as you can be sure I will ask you for your thoughts in that regard. Finally, feel free to tell me how you can help the Congregation with your time, talents, and/or resources. After all, Torat El is all of ours and we all have a vested interest in ensuring our Congregation continues to thrive and grow. I will do all I can to help make that happen and I look forward to your support in those efforts.

See you soon.

Larry

A SENSE OF BELONGING

As I stood among 50 others at a recent shiva minyan, I was struck by a sense of community that I had not felt before. Working in a synagogue for more than 20 years (10 here and 10 elsewhere) and belonging to a synagogue in my own youth has never put community in this exact context.

Yet here I was at a home, filled with Jews standing shoulder to shoulder reciting the blessings of our people. And these people – many I knew, others I didn't – all came together for this family. To show respect for the deceased and support for the living. To come together, as our rabbi so often says, as a holy community, to be one.

As I looked around the room, I did a quick count in my head... some were from heritage Congregation B'nai Sholom, others from heritage Temple Beth El, others from heritage Temple Beth Torah – all of us now Congregation Torat El, and still others from our neighbor, Temple Beth Miriam. No rabbis present... we were on our own, lay leaders of every generation.

Every shiva notice we send from the office announces the sad news of a loved one's passing. But it also affords us the opportunity to be a part of something so much bigger than the grief. When family, friends and neighbors come together for shiva, we are, in effect, demonstrating to the world that despite the difficulties in life, we remain strong and united.

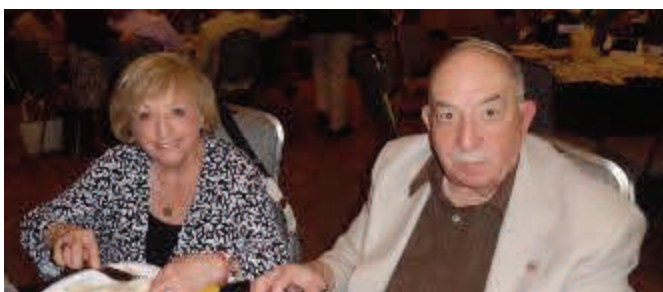

This scenario probably plays out every evening in living rooms across our area. I just happened to be at this particular home on this particular night, and had a sense of belonging in a way I hope for all of you in our CTE family.

Pam

A DECADE OF DEDICATION

More than 150 CTE family and friends joined together on June 14th at our “Decade of Dedication” Celebration to honor the men and women who held the title of Congregation President during the years 1974 -1984. It was a memorable and festive occasion to celebrate the collective achievements and wisdom of these leaders who laid the foundation upon which we all stand today.

DONOR LAUNCHES MATCHING GRANT FOR COMMUNITY BREAK FAST

Congregation Torat El is thrilled to announce a very generous donor is launching a matching grant challenge to ensure the continuation of our break fast following Yom Kippur services. Please make checks payable to Congregation Torat El and write Break Fast Fund in the memo. Yasher koach to our matching grant donor and to all of you for your support and continued generosity!

YASHER KOACH TO OUR BAT MITZVAH

Hi, my name is Noa Bass and I will become a Bat Mitzvah on August 29, 2015. I am excited and honored for this day because I will become a part of my Jewish community. For my Bat Mitzvah project I chose two different activities. The first was selling bracelets that I made by myself. The second was babysitting. I chose this because I love kids and that is why the money that I earned with these activities will be donated to St. Jude's Children Research Hospital and the USA swimming foundation. These two charities are very special to me because I knew someone who was a patient at St. Jude's, and I have learned how they help kids with cancer. Swimming is also very important to me because I swim on a team that encourages everyone to always do their best. It is my goal to see all young kids stay healthy and learn to swim.

RELIGIOUS SCHOOL NEWS

Starting in September, Religious School is changing! We will meet on Shabbat mornings and Wednesday afternoons. The Wednesday sessions will be very similar to past years. During Shabbat School students will experience musical, age-specific prayer sessions and learn by doing.

Shabbat at CTE is filled with community and friends. Community members come to Shabbat services to rest from a tough week, to unwind and to spiritually recharge. We don't just want to teach your kids about how to celebrate Shabbat; we want them to experience it! Students will learn through movement, drama, dance, games, song and creating a few edible "art" projects! For more information, contact Rabbi Metz at rabbimetz@torat-el.org.

Torat El Tikkun Olam Teen Leadership and Service Seminar Launching Fall 2015

An exciting, year-long leadership and community service program for teens grades 8-12. This special new program will give participants (open to all Torat El teens, grades 8-12) the

opportunity to plan, participate in, and lead a year of meaningful community service projects. Families with teens will receive an information and registration packet in the mail.

For more information, contact Jane-Rachel Schonbrun at youthgroup@torat-el.org.

RITUAL ENGAGEMENT

LEARN TO LEAD A SHIVA MINYAN!!!

We are looking for adults to help build upon our current team of men and women who lead Mincha/Maariv services at the home of people who are in their initial phase of mourning (the Shiva period). Leading a Shiva Minyan is very similar to leading any weekday Mincha/Maariv service, with a couple of added prayers. If you are an adult who can read Hebrew and would like to learn to fulfill the rewarding Mitzvah of leading a Shiva Minyan, please email benlaskowitz@yahoo.com or call/text Ben Laskowitz at 732-861-7450.

UPCOMING WORKSHOP: CHANTING THE BIBLE

On Shabbat morning July 18, during services, we will present a workshop entitled 'Chanting the Bible.' Have you ever wondered:

Where do the trope melodies come from?
Why do trope melodies vary so much?
Is there actually a right way and a wrong way to chant the Bible?
How many different trope melodies are there during the course of the year?
What purposes do the trope melodies serve?
How many trope symbols are there and what do they mean?

For the answers to these questions and more, please join us for Shabbat morning services on July 18.

During the month of **May 2015**, the following individuals performed the Mitzvah of reading Torah, chanting the Haftarah, and/or leading Shacharit, Musaf and the Torah Service:

NOT GETTING E-MAIL??

If you have not been receiving the Tuesday Morning Torah emails from Rabbi Schonbrun, shiva notices or weekly emails from Pam, please give the Temple office your email address so we can add it to our list! The Temple office does not remove email addresses from the list. Oftentimes, deleting the emails without opening them causes your email address to be removed from the list. In other cases, especially if you use an AOL email address, the emails are marked as spam, which also causes your email address to be removed from the list. For this reason, if you have an AOL email address and another email address, we ask that you give us the non-AOL email address. We have found Gmail email addresses to be the most reliable.

Rummage Sale Dates are Sunday, November 15th & Monday, November 16th.

Drop off dates and more details to follow in our next bulletin!

In a few weeks, Sisterhood will be launching our 2015-2016 season of the Min Pincow Memorial Raffle. We hope you will be a participant. For those not familiar with the raffle, here's a brief explanation:

We have 100 available numbers (00-99), with one drawing each month for ten months. Each monthly ticket costs \$10.00. You may purchase ten tickets (one for each month) for \$100, payable in one or two installments. The winner each month receives one-half of the proceeds from the number of tickets sold for that month. (This is a true fifty-fifty.) NOTE: If we are successful in selling all 100 numbers, the monthly winner will receive \$500!!

This raffle was started many years ago by Temple Beth El's Sisterhood, and has been continued by the Congregation Torat El Sisterhood. It is named after Min Pincow, a dedicated TBE member, who had originally conceived of the idea for the raffle. Many ticket-holders have had the same numbers for years, and will continue to keep those numbers, should they so choose (and most do). However, there is still a supply of lucky numbers available, and we invite one and all to participate.

Be prepared to say "Count me in" when one of our Sisters contacts you regarding this year's Raffle, and GOOD LUCK! Let's hope you're a winner.

ORDER MEMORIAL PLAQUES IN TIME FOR THE HIGH HOLY DAYS!

If you would like a yahrzeit plaque to be hung on the memorial boards in the Main Sanctuary in time for the High Holy Days, now is the time to place your order.

The cost of each plaque is \$500.

The light next to each plaque is illuminated on the individual's yahrzeit and the four Yizkor services during the year. The individual's name will also be included in our annual Book of Life and Remembrance.

To ensure your loved one's plaque is placed on the memorial boards by Rosh Hashanah, we must have your order and payment in the Temple office no later than July 9.

Call the Temple office for more information.
