## From The Rabbi's Study...

It's that time of year! The summer has finally arrived, and with it the ever-popular "Summer Reading" lists. Whether using your Kindle, Nook, or a good old-fashioned paper book, the summer is a great time to catch up on reading. This year, as you hang out in your backyard or relax at the beach, I encourage you to add at least one Jewish book to your personal summer reading list. Whether you wish to stop by our synagogue library, go to a local bookstore, or order online, finding a great Jewish book to read has never been easier. There are even entire websites dedicated to Jewish books and Jewish reading such as The Jewish Book Council ([www.jewishbookcouncil.org](http://www.jewishbookcouncil.org)), or Jewish Lights Publishing ([www.jewishlights.com](http://www.jewishlights.com))

Here are a few suggestions of books that I have either read recently, or that I continually go back to for both information and inspiration. If you are interested in another topic not included here, feel free to contact me for suggestions. Enjoy and Happy Reading!!

## *From the Desk Of Gary Zimmerman, President*

I thought I might share with you excerpts from my speech at the Installation of the 2011-2012 Congregation Torat El Executive Board and Board of Trustees.

"There are many challenges ahead for the Leadership of this congregation. Not only am I ready for the challenge but I believe the Executive Board and Board of Trustees are as well.

I would like to spend a couple of moments discussing my predecessor, Dr Alan Stern and the accomplishments of the congregation under his leadership; a few moments about yours truly and my family; and then a couple of moments discussing "what's happening" at Congregation Torat El in the coming months.

It seems a very long time ago that Temple Beth El and Temple Beth Torah were voting on Unification. One Executive Board and one Board of Trustees were created to lead the new Congregation Torat El. That was two years ago and we have come a long way baby! We would not be where we are today without Alan Stern's leadership. While there have been ups, downs, and everything in between, I believe we are farther down the path than I thought we would be just two years ago. There were many hurdles and while we may have slipped and bumped off of a few of them, we are clearly moving down the right path. Whether it was picking a Rabbi, selecting a building, selling another building, negotiations with the sale of the cemetery land, battling financial concerns, or even maintaining membership, Alan has been there to lead us through and to meet each challenge. And I do not for a second want anyone to think that the ride has been smooth and without disagreements. We were able to work things out, correct any mistakes that were made, and continue to move forward. And we have made mistakes, but your Executive Board and Board of Trustees grew together and continue to grow and will lead the congregation through some trying times, particularly in regards to our financial health and well being. Alan and I don't agree on everything. We do however have one thing in common. We love our congregation and want to see it thrive. Hopefully Alan will take some time, recharge, spend a little time with his family, and who knows maybe even make a trip to Las Vegas. Remember you were the first president of Congregation Torat El.

I would ask that each of you give a heart felt Yasher Koach to not only my friend but our friend, Alan Stern, for helping us take the first steps in our journey as Congregation Torat El. I also want to give a special thanks to Alan's family, wife Fran, son Neil, and daughter Tracey. Congregation Torat El thanks you for lending us your spouse and your father.

Now I would like to tell you a little about me. I am soon to be 50 years old; husband of 22 years to Bonnie; and the father of 3 wonderful children. Bonnie and I are extremely proud of our Knachas Makers. Katelyn, 20 soon to be a Junior at the University of Delaware is well on her way to an Undergraduate Degree in Athletic Training and a Doctorate in Physical Therapy. Arron, 18 who is in Washington, DC, to train and acclimate herself to college life where she will continue her education and play basketball for American University. And finally Jonathan, 14 just graduated from the Township of Ocean Intermediate

School yesterday afternoon and who will be attending Communications High School in the fall.

Now a little more about me: I have worked for JPMorgan Chase and predecessor companies for the past 28 years. I have worked in a variety of areas within the Mortgage Company and am currently the Valuations Product Manager within the Vendor Management Department. That means I am responsible for the 25-30,000 appraisals that Chase orders each month. As you can imagine with all the recent legislation regarding appraisals as well as declining home prices in the real estate market the last several years, my work has been quite challenging.

Some of my past leadership responsibilities include: President of our homeowner's association when we lived in Society Hill in North Brunswick; Director of the travel basketball program in Ocean Township for the past 8 years where we went from 4 travel teams to 11 teams with players from 8 through 14. As for my temple life, I became a TBT Men's Club Board Member and eventually the Men's Club President. I then joined the Board of Trustees, became the TBT Treasurer, became a member of the TBE-TBT Steering Committee and most recently, First Vice President of CTE. During that time we have hired Rabbi's, balanced budgets, unified, marketed two buildings, etc... I believe I am well prepared for this next challenge. We have very strong lay leadership to direct us through the upcoming challenges. We are ready to go.

Next, I thought I might take a few moments to update you with "what's happening" at CTE:

Sale of the Roseld Ave Building—as you know we are under contract with the Ilan School and hope to close with them in August. They have applied to the Ocean Twp. Board of Adjustment for a Use Variance and we hope for approval at the next regularly scheduled meeting on July 14<sup>th</sup>. Plans are under way to move the furniture, library, kitchen equipment, etc... to Monmouth Road once we know the sale will take place.

Sale of the Lawrence Ave Property – the property on Lawrence Ave has been listed with Century-21. There have been several inquiries. Hopefully we will have an offer very soon.

Sale of the TBE Cemetery Land—we received the next payment of \$300,000 from Neptune Estates for the transfer of the remaining lots in Phase 1. As houses are built and the properties close, we will continue to receive payments toward the total purchase price of \$2.1MM. In addition, we will continue to receive quarterly payments of \$20,000. The contract calls for all payments in full to be made by June 2012.

Rental of the Monmouth Road facility—our friends from Keter Torah will be moving out and we will once again rent the Monmouth Road facility to Camp Emzie.

Strategic Planning Committee—we have formed a Strategic Planning Committee which will chart the course for our future.

## *From the Desk Of Gary Zimmerman, President*

### *Continued*

Renovations to Monmouth Road – we have several projects under way to meet our needs as well as to update parts of the building and to address energy costs and conservation.

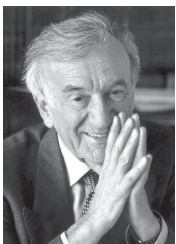

The Board of Trustees approved several projects to move forward:

- ◆ We have received estimates to make some modifications to the school wing at the request of Ben Laskowitz, our Educational Director, and to the office area as well as make some changes to accommodate all the plaques, Trees of Life, etc... This work will be completed before the Religious School opens in September.
- ◆ We have also received estimates for necessary work to the kitchen as well as work to renovate the rest rooms. The kitchen will receive a makeover including improving the layout. The restroom work will include updating and expansion of both the Ladies and Men's Restrooms.
- ◆ We are also looking into the possibility of solar energy as a means of reducing our costs and becoming more environmentally conscious.
- ◆ Lastly, we have begun to look at ways of making our building more welcoming, improving our energy usage, and creative ways to increase the capacity of the building for the High Holy Days.

There are many things going on and I look forward to the challenge, working with the Executive Board and the Board of Trustees and all of you to make Congregation Torat El, the best it can be."

One last thing before I close, I believe, and the Executive Board and Board of Trustees believe, in transparency and we would very much like to communicate with you and hear what you have to say. If you wish to speak with me, the most efficient way to reach me is through email as I am typically on conference calls and on the run with different family and congregation activities. You can reach me at [president@torat-el.org](mailto:president@torat-el.org). In an email, you can explain your issue and I can address your concern each evening rather than playing phone tag. Even if you don't feel comfortable detailing an issue or concern in an email, send me a quick note that you want to talk and we can set up a convenient time where I can call you.

Have a great summer!!!

## Blood Drive

Our blood drive that was held on June 6th was a huge success! We had 28 people participate and collectively donated 26 units of blood! This is an enormous achievement and a record breaking blood drive as well! Since 2003, the average blood collection for us has been 10 1/2 units of blood. This year's blood drive is a shining example of the real meaning of "Mitzvah."

Our thanks to everyone who participated. Many, many thanks to **Mike Gordon, Linda Hopkins, Maddy Cohen and Helene Woda** for making this program so successful.

## Ritual Highlights

Over the past few months, your Ritual Committee has been hard at work making Congregation Torat El's religious services meet everyone's needs. The following are some of the guidelines and policies that we have put into place:

In response to a number of requests, we are changing the Friday night service times, to include one 8 o'clock service per month starting in August 2011. We will do this for a trial period of about 6 months and evaluate the response and feedback. The following will be the Erev Shabbat service schedule:

The 1<sup>st</sup> Friday night Shabbat services will start at 6:30 PM and will be an instrumental service.

The 2<sup>nd</sup> Friday Shabbat service will start at 8 PM and will be non-instrumental.

The 3<sup>rd</sup> Friday Shabbat service will be at 6:30 PM and will be instrumental.

The 4<sup>th</sup> Erev Shabbat service each month will start at 6:30 PM and will be non-instrumental.

The Family Shabbat service will also be on the 4<sup>th</sup> Friday evening, also starting at 6:30 PM to run parallel with the regular Shabbat Service.

When there is a 5<sup>th</sup> Erev Shabbat, the service will be non-instrumental and will start at 6:30 PM.

The start time for evening Minyan is being changed to 7 PM as of August 1, 2011. This change will make the time more convenient for our commuting members and will enhance our High School and Adult Education programs.

Rosh Hashanah 5772 starts at sundown on Wednesday, September 28, 2011, and Kol Nidre, Erev Yom Kippur is at sundown on Friday, October 7, 2011. Watch your mail over the summer for the actual schedule and ticket information.

We are going to need your help in setting up chairs and books on Sunday, September 25, 2011 so please volunteer 15, 30, or 45 minutes of your time to help with this task. It usually takes us about 2 ½ hours to accomplish this very necessary function to make our High Holy Day services run smoothly. Books will need to be put away on Sunday, October 9, 2011 and we also need your help for this.

The Book of Life & Remembrance is in the process of being created. Letters will soon be sent to you with information. Your prompt response will help us in completing this booklet for your use during our Yizkor services. Additionally, phone calls will be made regarding the distribution of honors for the High Holy Day services.

All of our Torot have been reviewed by a Sofer to determine which are Kosher and which are not. They have also been identified as to their legacy. Some of our Torot need repair. If you would like to donate toward this mitzvah, please contact the CTE office.

We will shortly have a full directory of our memorial plaques in the Sanctuary that will be in name order. You will be able to reference this list to locate the plaques of your loved ones easily.

Egalitarianism: We have produced the following:

Egalitarianism is a complex issue. Wearing a Tallit is an active symbol of religious observance whether it is worn by a man or woman. Congregation Torat El is egalitarian and we are encouraging women to fully take part in all those facets of observance including wearing a Kipa, Tallit, or putting on Tefillin. It is preferred that an individual performing a public religious function during the service such as leading the congregation in prayer, having an Aliyah to the torah, chanting the Haftorah, lifting, tying, carrying the torah wearing a Tallit and a Kipa. However, there are many women who feel uncomfortable wearing a Tallit or a Kipa at any time. We recognize and respect these feelings and will not prevent a woman from taking part in the service if she declines to wear a Tallit. Over the next few months, we will be scheduling educational sessions on Tallit, Tefillin & Kipa, open to everyone so that an individual can learn about ritual garb and increase their level of comfort and knowledge about wearing them.

A "B'nai Mitzvah Policy Handbook" was approved by the Board of Trustees as the official policy of Congregation Torat El.

As you can see this has been a very busy year for us. We are all working together to make Congregation Torat El the premier Conservative Synagogue of the Jersey Shore, a congregation that is truly a Family of Families.

Please contact me if you have any questions or comments about your Ritual Committee. Additionally, email me at [neilweit@gmail.com](mailto:neilweit@gmail.com) if you would like to become a committee member. Everyone have a happy, safe, and healthy summer.

## DO A MITZVAH FOR A SHELTER CAT!

By Phyllis Schwarz

As the summer heats up and the temperature rises so does the cat population at the Monmouth County SPCA. As kitten season starts, shelters traditionally find themselves overcrowded with more cats and kittens than adopters. To help these purrfectly wonderful felines find their forever homes, the MCSPCA will be celebrating with many adoption specials all summer long. Every feline at the MCSPCA receives spay/neuter, rabies, distemper vaccinations, deworming, flea treatment, FIV/FelV testing and a microchip.

Perhaps a long term relationship isn't what you are looking for right now. Even if you have commitment issues you can still help the kitties at the MCSPCA. With hundreds of purring and prowling felines at the Monmouth County SPCA, the organization is also in need of foster homes. Becoming a foster parent or family is a great way to help a homeless feline. Whether you open your home and heart to a bottle baby or a seasoned adult short term or for a few months, it not only helps the animal in your care, but the countless animals still in need. If you would like to learn more about becoming a foster parent or a cat socializer with the Monmouth County SPCA please contact Perri, the MCSPCA volunteer coordinator at 732-542-1036 or email her at [perri@monmouthcountyspca.org](mailto:perri@monmouthcountyspca.org)

Too young to adopt or foster a kitty? Do a mitzvah and collect items from the MCSPCA kitten and cat wish lists. You may want to hold a *Kitty Shower* in honor of one of the many moms and babies who have found shelter at the MCSPCA. Some of the items that make great gifts for babies are KMR Kitten Formula, canned kitten food, heating pads/discs, kitten bottles, plain yogurt, jarred baby food (turkey, beef, chicken) and stuffed animals. Looking for the perfect gift to get the new parents? Here are some great ideas from the MCSPCA cat wish list- fancy feast cat food, world's best cat litter, cat treats, pill pockets, 9 lives cat food, new small plastic cat carriers, cat beds and cat toys.

To learn more about adoption, fostering or fulfilling items from the wish list please visit [www.monmouthcountyspca.org](http://www.monmouthcountyspca.org) or call 732-542-0040.
