## OUR DEEPEST GRATITUDE TO OUR OUTGOING BOARD MEMBERS

In 1979 I was appointed Chair of the Youth Commission at then-Temple Beth El, and so began my 39-year journey on the Board of Trustees. At Beth El when you chaired a committee you were automatically on the Board of Trustees. I served as Chair of the Youth Commission for several years and then was elected Secretary of the temple. I chaired several committees along the way, including the Cultural Committee and Membership Committee. I also served as a Vice President for several years. Here at Congregation Torat El, I co-chaired the Ritual Committee and also served as Vice President.

I always say I was "born into the temple." My family was very active and it was natural for me to be at the temple whether it was for Hebrew school, Sunday school or a youth group when I was young. I was in the second b'nai mitzvah/confirmation class held at Beth El. The temple was the center of our social life. My friends and I belonged to Councilettes, BBG Girls and were also involved in the Jewish Community Center on the west side of Asbury. As an adult, it was still the center of our social life as we graduated to NJ Council for Women and Sisterhood.

Every temple struggles at one time or another to raise money to stay afloat, to increase membership and to involve the congregation in daily temple life and to ensure the continuity of the temple for future generations. Our congregation is no exception and it is very important to me to do what I can to ensure that continuity. I cannot imagine life without my temple. I value the serenity of the services, the Jewish education I have received and continue to receive and especially the friends I have made here. Although I am not as active as I have been, the temple is always in my heart. Sitting on the Board has afforded me the opportunity to have a voice in setting policy for the temple, for discussing and determining business decisions necessary to run the temple, whether they be financial, educational or religious.

We are now a vibrant, growing congregation with a dynamic Rabbi and staff. The Board of Trustees is strong, caring and considerate of each other and of the congregation. Our temple is on track to do great things and I am proud to have been a part of it. I leave the Board now knowing our temple will continue for generations to come.

---

As I look back on the past nine years, I have many fond recollections of my time spent volunteering at CTE. All it took was me saying that initial yes to being on the Rabbi Search Committee and I soon found myself serving on the Board of Trustees. That led to me being a member of the Executive Board and chairing the Membership Committee.

When I was asked to write something for this month's bulletin, I found myself at a loss for words. That's very unusual for me, a former writer and editor and current substitute teacher. I wondered how I could sum up in one short piece my motivations for doing what I could for the synagogue and the sense of satisfaction it brought to me.

As chair of the Membership Committee, I found it easy to promote our warm and welcoming synagogue community with our wonderful Rabbi and dynamic executive director. Being so actively involved in synagogue life afforded me the opportunity to meet a diverse group of interesting people I might not have crossed paths with otherwise. From our wonderful members to our committed leaders, I truly believe that CTE is a synagogue family and I am honored to be a part of it.

Over the years, I have worked with a number of people on the Membership Committee. You all know who you are and I appreciate all that you did and continue to do. One of my very favorite things to do was to welcome our new members into our community, by calling them and giving gifts from CTE. I especially enjoyed our New Member Shabbat services, seeing them receive a welcoming blessing under the huppah. Other highlights were our Membership Appreciation Shabbat services, honoring our Chai Club, or those who have been members for 18 years or more. It was incredible witnessing over 200 people attending those services, with quite a few who had been members for over 54 years.

By opening our second day Rosh Hashanah services to the community and holding a Yom Kippur community Yizkor, we have proven how welcoming we are, which is especially important during the High Holy Days. It has been a pleasure greeting the unaffiliated who attend our Chanukah party, Purim extravaganza and other events and giving them our eye-catching brochure.

And when I see our members wearing their name tags, a project conceived and executed by our membership committee, it's apparent how much of a difference that has made in getting to know people. Our Jewish holiday book readings at Barnes & Noble have been well attended and a great outreach tool. By having a CTE presence at the Ocean Township Chamber of Commerce Business & Professional Expo, we have gained more visibility in and networked with our surrounding community.

Well, somehow I managed to fill this space, despite my initial doubt at being able to do it. So if you happen to receive a call someday soon asking you to volunteer at CTE, I encourage you to say yes. You never know where it will lead. I am certainly glad I answered the call.

*Suzanne Michel*

# MY UPCOMING SABBATICAL IN THE FALL OF 2018

As you have heard, this coming fall, beginning on October 8th, I will be taking a three-month sabbatical. This is something new in our community and will be a new experience for me as well, so I wanted to share some of my thoughts with you about this wonderful opportunity.

**What is a Sabbatical?** The goal of a sabbatical is to create a designated amount of time for the rabbi to renew and recharge from the daily demands that the rabbinate entails. A sabbatical enables the rabbi to spend some concentrated time studying, learning, and reflecting about his or her rabbinate and the overall health and direction of the community that he or she is privileged to lead. As I begin my fifteenth year in the rabbinate, I feel blessed and grateful to Congregation Torat El's leadership and staff for affording me this opportunity.

**What does a rabbi do on sabbatical?** There is no one answer to this question. My current plans include taking a course in Musar (a 19th century movement focused on ethics, education, and character development), reading the *many* books in my pile, visiting a number of synagogues throughout the country to see what I can learn, taking some time with my family, and other personal and professional growth opportunities.

**Will I be accessible on sabbatical?** In short, the answer is no. Any of you who know me understand how much I consider it a privilege to be with all of you in times of joy and in times of sorrow. You know how much I love to teach, to learn, and to partner with you in the work of creating sacred community. However, in order to continue to have the energy to do these things in a meaningful and effective way, I will truly have to step out of my traditional role for these three months. In advance, I ask for your forgiveness and understanding for any significant life moments and experiences that I might miss. Having said all of that, due to our children's schooling and Jane-Rachel's job, my sabbatical is going to be local for much of the time. When I am in town, I will be available in the case of a congregational death.

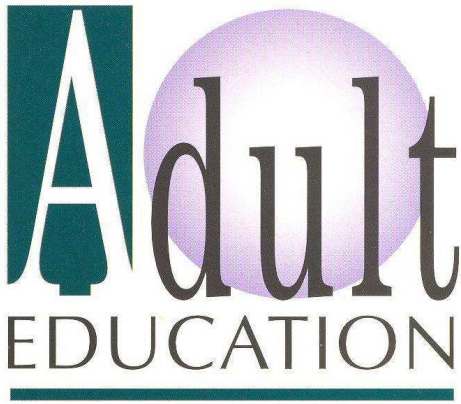

**Who is going to teach, lead services, be available for pastoral counseling, etc.?** Our congregation is blessed to have many talented lay leaders and a superb staff. Over the past few months we have been working diligently to ensure that we will have leaders for our services, teachers for our classes, and people available to give *divrei Torah* in my absence. I cannot thank all of those who have volunteered to help with this enough. I feel so blessed to be in such a supportive community and I know that all of you will be in good hands during my brief absence. We are also blessed to have our rabbinic intern, Warner Ferratier, returning next year. He will be here once a month to lead services, will be teaching my weekly evening class, and will be helping out with various programming throughout the year as well. We will also have a list of available clergy in case of non-member funerals, or those times when I am out of town for a member funeral. The office will have an internal document detailing all coverage and contingency plans for the areas that typically fall under my portfolio. If someone has an immediate need for counseling, I would suggest contacting JFCS of Greater Monmouth County. If someone would like to speak to me directly, and the need is not immediate, please call the office when I return, or feel free to set up an appointment with me through Lisa Arnold at 732-531-4410 for when I return. **If there are any pastoral emergencies**, please contact our executive director, Pam Cardullo, directly. She can be reached during the day in the office at 732-531-4410, or on her cell phone *for emergencies only* at 732-939-6449.

As this is our first time having a rabbinic sabbatical, it is possible that there will be certain things that we miss, and there will invariably be some things that will have to wait. I will not be checking email or voicemail when I am away. I thank you for your patience and understanding in advance.

As we prepare to enter into "summer mode" on the shore, reflecting back on our year as a congregation and looking forward to the Yamim Noarim, High Holiday season, I am eagerly anticipating this tremendous opportunity for my growth and renewal as an individual and as a rabbi. I want to personally thank our staff – Pam, Lisa, Joanne, Ben, Jaclyn, Jacob and Rich for their support in advance of, and during, my sabbatical. I want to thank our president, Steve Fineberg, Neil Weitzenkorn (who has helped with some of the ritual planning), as well as our entire Executive Board and Board of Trustees for their support and thoughtfulness in anticipation of my sabbatical. I thank my colleagues who will be there in cases of emergency. I will miss all of you very much, but feel so honored and blessed to be a part of such a unique and capable community. I am confident that you will all manage my temporary absence successfully. I look forward to seeing you all in September and then again when I return in January of 2019.

Have a wonderful summer!

**Israel's Milestones and their Meanings:  
The Legacy of the Past and the Challenge  
for the Future**

Another engaging video series from Hartman Institute. This class will be led by our Rabbinic Intern, Warner Ferratier.

Memory is a central element in defining modern Jewish identity. As we look to Israel's future, we need to engage anew with our past and explore its meanings and consequences. Through the consideration of major historic moments, this iEngage series grapples with the different ideas and values that shape the meaning of Modern Israel, Zionism, and Jewish identity today.

**\$20 per person/couple for study guide**

In order for us to have enough study guides, please register with the office for this class by October 1.

***Wednesdays, October 10, 17, 24, 31,  
November 7, 28, December 5, 12 at 7:30pm***

**Lunch & Learn: The American Jewish  
Experience: An Introduction to American  
Jewish History**

In this lecture course, Rabbi Dr. Robert E. Fierstien will discuss the origins of the American Jewish Community, from its earliest days in Colonial America down to the great wave of Jewish immigration from Eastern Europe in the late 19th and early 20th centuries. Among the topics to be discussed are Jews in the American Revolution, the Civil War, the origins of Reform, Conservative, and Orthodox Judaism, and the beginnings of American Jewish feminism. This course is a "must" for all who are interested in the history of the Jews in the United States!

Rabbi Dr. Robert E. Fierstien is Adjunct Professor of Jewish Studies at Stockton University, where he specializes in Jewish History. He is Rabbi Emeritus of Temple Beth Or in Brick, NJ. He is a summa cum laude graduate of New York University, and received his rabbinical ordination, master's and doctorate from the Jewish Theological Seminary of America. A cultural and religious historian, he has published three books and numerous articles in the field of American Jewish History, and was Chairman of the Centennial History Committee of the Rabbinical Assembly. He is currently co-chairman of the History Committee of the Jewish Heritage Museum of Monmouth County.

## MAZEL TOV TO OUR BAR MITZVAH

Hi, my name is Dylan Lazar and I am looking forward to becoming a Bar Mitzvah. I am going into the 8<sup>th</sup> grade at OTIS and enjoy playing hockey and baseball, going to the beach, video games, and hanging out with my friends and family. For my Bar Mitzvah project, I volunteered with the Ocean Township Little League Challenger Division. I took my love for playing baseball and being part of a team, to giving back to the community and helping others who are less fortunate. I really liked seeing kids with all different challenges having the biggest smiles ever when they reached first base! Seeing their joy made me have a huge smile too! My family and I are excited for my Bar Mitzvah and we hope to see you on September 1<sup>st</sup>.

## BUILDING IMPROVEMENTS IN PROGRESS

We are pleased to announce that the temple is getting some significant repairs during the summer. Work has begun on replacing the air conditioning system in the Small Chapel, Main Sanctuary, Founders Hall, Social Hall and Lobby.

However, this means that those parts of the building continue to be without air conditioning.

We anticipate the temperature in the building to be quite warm at times. If you are sensitive to the heat, it may be prudent to forego services during this time. We expect the small chapel to be back in business more quickly, at which time we will utilize it as attendance permits.

Kiddush remains suspended. Cold water will be provided in the lobby. We anticipate all work to be completed by August 15<sup>th</sup>.

We appreciate your anticipated understanding during this time, as we continue to improve the building for years to come.

## NOT GETTING E-MAIL??

If you have not been receiving the Tuesday Morning Torah emails from Rabbi Schonbrun, shiva notices or weekly emails from Pam, please give the Temple office your email address so we can add it to our list!

The Temple office does not remove email addresses from the list. Oftentimes, deleting the emails without opening them causes your email address to be removed from the list. In other cases, especially if you use an AOL email address, the emails are marked as spam, which also causes your email address to be removed from the list. For this reason, if you have an AOL email address and another email address, we ask that you give us the non-AOL email address. We have found Gmail email addresses to be the most reliable.

## BLOOD DRIVE, HUGE SUCCESS!

The annual Blood Drive was held on June 4<sup>th</sup>.

Twenty eight people went through the screening process and all became donors. This was the best result we've had in the eight years of Congregation Torat El's existence.

I want to thank all who donated and all who assisted in making this Drive a success. I also want to thank Alan Stern for providing Oral Cancer Screenings and Adrienne Asta for providing Message Therapy.

It is said that giving help to a person when neither giver nor receiver know each other is the highest form of giving. This thought was made for Blood Donors, GOD BLESS THEM.

*Michael Gordon, Blood Drive Chair*

I want to gratefully acknowledge and thank the many members of our congregation for their concern, visits, phone calls, texts, cards, notes and donations in honor of my quick recovery. I am doing well and look forward to resuming my regular activities at Congregation Torat El.
