# Come On In, The Water Is Great!

It's that time of year again – summer on the Jersey Shore: a time to relax, enjoy the beautiful neighborhood in which we are all so blessed to live, and perhaps take a few moments to reflect on this past year as we sit on the beach and take in some sun. It is often during the summer that I am able to find a few precious moments to take a break from the busy pace of our synagogue calendar year in order to gain a bit of perspective on the year that has passed and consider some of the exciting opportunities that we have planned for the coming year. This summer, I would like to invite each of you to partner with me in this type of thinking – taking a few moments to review this past year in our synagogue and consider your relationship and sense of connection to your Congregation Torat El family. What programs did you attend this past year? What classes,

services, lectures, holiday celebrations, or synagogue outings did you attend this year? Which ones did you hope to attend until "life got in the way," as it tends to do? What programs, activities, or innovations did you see at other synagogues that you would like us to consider implementing in our community? And perhaps most importantly, how might you like to be involved this coming year, as we enter our tenth year as Congregation Torat El?

As I take a few moments to reflect back on this year, here are SOME of the highlights that immediately come to mind.

- ◆ Our Meet The Author series continued going strong, as we welcomed a variety of authors into our community throughout the year.
- ◆ Our adult education opportunities continued as we studied ethical implications of the weekly Torah portion, learned about the history of modern Israel through poetry, music, and media, and made time to learn how we might strengthen our character and nourish our soul through the study of Mussar.
- ◆ In conjunction with the Monmouth County Mental Health Association, and a number of our members, we held an informative and engaging series on the importance of talking about mental health and supporting all who are struggling with this issue.
- ◆ We were blessed to hear powerful stories from children of Holocaust survivors in an incredible discussion about the importance of memory, and how we might use the power of memory to curb the forces of ant-Semitism that continue through today.
- ◆ Our Sisterhood, Men's Club and Hazak groups continued to create a wide offering of social and educational programs for our members to enjoy – from baking Hamantaschen (over 5,000 of them) with all ages and stages of the congregation, to flipping and frying delicious latkes, and hosting a wonderful steak meal in the Sukkah, to taking a trip into NYC to see the new Holocaust exhibit at the Museum of Jewish Heritage.
- ◆ We celebrated the life and legacy of Martin Luther King, Jr. with the greater community during our annual spirited and inspirational commemoration.
- ◆ We held a weekly beginners Hebrew class, taught by one of our members, to help all who struggle with Hebrew, and those who are simply interested in working on their Hebrew skills.
- ◆ We had a lively and hilarious comedy night around Purim when we gathered together to share an evening of laughter and fun.
- ◆ We gathered together for countless bnei mitzvah, various anniversary celebrations, and proudly watched as our Rabbinic Intern, Warner Ferratier became a rabbi. (And, on a personal note, I was privileged to officiate at his wedding to his husband Luis the day after ordination!)
- ◆ We gathered to support one another during times of loss, coming to one another's home for shiva minyanim, bringing food, ritual resources, and most importantly our presence for one another.
- ◆ We gathered each Shabbat, to take a break from the hectic week, pray together, learn together, and celebrate each week with our wonderful religious school students who add even more life, laughter, and spirit to our weekly Shabbat celebrations. And we thank and acknowledge those who "sponsored" 15 beautiful Kiddush Luncheons in honor of their special occasions.

These are just a few of the highlights from this past year. As I think back on all of our successes, there is much more that I could list and it is clear that we have much to be proud of as a congregation. As we enter into "summer mode," I invite you to look for a number of additional events this summer as well. Read this bulletin carefully and look out for emails detailing some new summer programming. And as you take a few moments to relax on the beach, ask yourself how you might like to become more involved as the New Year comes around. *"Come on in, (as we say), the water is great!"* We would love to have you join us as we swim into a new season together.

# MESSAGE FROM THE PRESIDENT

I would like to take this opportunity to introduce myself as I have just recently been installed as the president of Congregation Torat El for the next two years.

I was born in Queens, raised in Long Beach, Long Island and went to college at American University in Washington, DC where I graduated with a BS in Nursing. I worked for several years at Children's Hospital National Medical Center as a pediatric RN. It was there that I met my husband Gary. We moved to Los Angeles for two years and then to New Jersey where we have resided for the last 32 years. We have two children — Adam, who lives in Palo Alto, California and works for Facebook and Alana, who is finishing her masters degree in accounting at George Washington University. I have been a member of Temple Beth Torah/Congregation Torat El for over 30 years. During that time I have held various roles that have led me to this point. This includes being Sisterhood President, a member of the Board of Trustees and Executive Board.

I have set forth for my term some rather ambitious goals for Congregation Torat El. I am optimistic that I will be able to accomplish them with your help. I would like to touch upon two.

We need more volunteers -- plain and simple!! Even though we have a staff who work extremely hard and are so dedicated, we also need to rely on our volunteers to keep the synagogue running smoothly. Some of you already give of your time and I thank you.

You are all vital and important to our congregation. I understand you have many demands of your time -- both personally and professionally. We need your help to fit all the pieces together. I'm sure that there are some of you sitting at home wondering how to be part of this great organization; whom do I call; when can I start? Please do not hesitate to call me anytime except Shabbat and Jewish holidays. I will be glad to find the right fit for you. Whether it be once a year, an hour a month, or two hours a week I would love to see you get involved. The Board and I will be reaching out to you as well.

What might motivate you:

- to feel connected to the synagogue
- to work with people you like and admire
- to learn and exercise new skills
- to make a contribution to synagogue life
- to be with family members who are also volunteering
- to network
- to grow Jewishly
- to have fun

Volunteers are the key to our success and the heartbeat of the synagogue.

Another goal of mine is to get the Jewish youth and teens involved in monthly programs. I will be working alongside the Rabbi and a few parents who have graciously offered their time to organize meetings, get-togethers and social action events. It is vital that we keep their Jewish identity thriving in a religious and social setting.

I look forward to getting to know those of you I haven't been fortunate to have met before, and I look forward to working again with the many people that I have been blessed to have had shared previous opportunities and experiences.

My door is always open. I will make sure I will be transparent in all matters to the Executive Board, Board of Trustees and congregants as to all matters at hand. Feel free to reach out to me!

Laurie Gross

## NOT GETTING E-MAIL??

If you have not been receiving the Tuesday Morning Torah emails from Rabbi Schonbrun, shiva notices or weekly emails from Pam, please give the Temple office your email address so we can add it to our list!

The Temple office does not remove email addresses from the list. Oftentimes, deleting the emails without opening them causes your email address to be removed from the list. In other cases, especially if you use an AOL email address, the emails are marked as spam, which also causes your email address to be removed from the list. For this reason, if you have an AOL email address and another email address, we ask that you give us the non-AOL email address. We have found Gmail email addresses to be the most reliable.

## BLOOD DRIVE, HUGE SUCCESS!

The annual Blood Drive was held on June 5<sup>th</sup>.

We received credit for 34 units (pints). There were 31 donors, 3 gave Red Cells donations which count double. As a result we exceeded our goal of 30 units set by the New Jersey Blood Service.

I want to thank all who donated and all who assisted in making this Drive a success.

It is said that giving help to a person when neither giver nor receiver know each other is the highest form of giving. This thought was made for Blood Donors, GOD BLESS THEM.

*~ Michael Gordon, Blood Drive Chair*

## KOREEN FAMILY LIBRARY

Summertime is a great time to catch up on your reading! We recommend the following new outstanding books available in the Congregation Torat El Koreen Family Library whenever the Synagogue is open.

We Are Going to be Lucky by Leo Miller (940.54 Mi). A first generation Jewish American couple separated by World War II, Lenny and Diana Miller vowed to write to each other daily after Lenny enlisted in 1943. Lenny's crucial missions as an Army scout and Diana's work in the Brooklyn Navy Yard are the backgrounds in their daily correspondence, including discussions about democracy, politics, and economic hardships. Beautifully written.

The Land of Truth: Talmud Tales, Timeless Teachings by renowned scholar Jeffrey L. Rubenstein (296.19Ru), retells and explicates Talmud stories for the modern reader. Full of fascinating insights.

Auschwitz Not long ago. Not far away is edited by Robert Jan van Pelt (940.54 Pe) and is an extraordinary catalog of the current exhibit in New York City at the Museum of Jewish Heritage — a Living Memorial to the Holocaust. This book is a collection of the first-ever traveling exhibit about Auschwitz where 1.1 million people were killed. It is a combination of photographs, stories, and historical background and "is an essential volume for everyone who is interested in history and its lessons." Exhibit will be in the Museum until January 3 and features 700 original objects and 400 photographs.

# MEET THE AUTHOR SERIES

## CONGREGATION TORAT EL

---

**Meet Armando Lucas Correa, author of *The Daughter's Tale*  
Thursday, September 12 - 7:30pm**

Congregation Torat El is excited to announce the return of Armando Lucas Correa, author of *The Daughter's Tale*, to kick off the 3<sup>rd</sup> season of the popular Meet The Author series. Mr. Correa was our inaugural author at the event in 2017 when he introduced his previous book *The German Girl*.

Those who attended that evening were treated to an interesting discussion of both the book and the author's experiences researching and writing it. He expressed delight in meeting our synagogue member, Eva Wiener, as a byproduct of his work on that book, which revolved around the true story of the M.S. St. Louis, the ship bound for Cuba on which Eva traveled with her family when escaping Nazi Germany.

Mr. Correa's new book *The Daughter's Tale* is an unforgettable story exploring a hidden piece of World War II history and the lengths a mother will go to protect her children. Based on true events, it is a beautifully crafted family saga of love, survival, and redemption.

Armando Lucas Correa is an award-winning journalist, editor, author, and the recipient of several awards from the National Association of Hispanic Publications and the Society of Professional Journalism. He is the author of the international bestseller *The German Girl*, which is now being published in 13 languages. He lives in New York City with his partner and their three children.

Pre-Paid \$15 per person/\$20 at the door.  
Books are available at the temple office for \$20  
Buffet Dessert  
Reservations at [www.torat-el.org](http://www.torat-el.org) or 732-531-4410

*This ongoing series has been made possible by a generous grant from the B'nai Sholom/Beth El Foundation.*

## **Summer Book Club Thursday, August 15<sup>th</sup> 7:30PM**

The Meet the Author committee is sponsoring a '**traditional book club**' this summer. Come join your Torat El friends, **(the author will NOT be there)**, for a discussion of the book *The Wartime Sisters*, written by Lynda Cohen Loigman.

"Two estranged sisters, raised in Brooklyn and each burdened with her own shocking secret, are reunited at the Springfield Armory in the early days of WWII. While one sister lives in relative ease on the bucolic Armory campus as an officer's wife, the other arrives as a war widow and takes a position in the Armory factories as a 'soldier of production.' Resentment festers between the two, and secrets are shattered when a mysterious figure from the past reemerges in their lives."

There is no fee, but registration is required and space is limited. Please reserve by August 8<sup>th</sup> by calling the office at (732) 531-4410.

**This program is open to TEMPLE MEMBERS ONLY and is not an official Meet the Author event.**
